Beydi A TRAORE
DevOps & Cloud

contact@beydibat.fr
(+33) 06 62 53 94 85
Toulouse - France

About me: Experienced full stack development engineer with proven track record in telecommunications, healthcare and banking industry. My expertise skills are: Cloud (AWS, GCP), Python, Docker, DevSecOps and Agile Methodologies.

Skills

Development: Python, Django, Flask, Celery, Javascript, Ajax, Jquery
Data Bases: Postgresql, MongoDb, Redis, Rabbitmq
Virtualization: Kubernetes, Docker, Docker Swarm, LXC
Cloud: AWS, GCP, Ovh, Private cloud
Revision control: Git (Github, Gitlab, Bitbucket), SVN
CI/CD: Jenkins, Sonarqube, Checkmarx, Artifactory, Gitlab, Bitbucket, CDK, Terraform, XLD, XLR
Environment: Linux, Windows
Script: Shell, Bash, Yaml, Yq, Jq
Agile Methods: Scrum
Other tools: Vscode, Pycharm, Aptana, Jira, Confluence, PlantUml, Géoserver, Redmine

Licenses and certifications

AWS Certified Solution Architect Associate
Jun 2020 to Jun 2023
http://saa.beydibat.fr

CISCO
CCNA 1 & 2

Experiences

Mar 2020 - present, DevOps Integrator (Cloud & Data) at BPCE-SI
Continuous Integration on premise and Cloud
- Cloud : On Premise, AWS (API Gateway, Lambda, DynamoDB, ElasticBeanstalk, Aurora, ALB, VPC Endpoint, S3, Kinesis), GCP
- Virtualization : Kubernetes - Script : Shell, Bash
- Version manager: Bitbucket
- Continuous Integration: Jenkins, Sonarqube, Checkmarx, Artifoctory, Terraform, XLD, XLR
- Environment : MacOs, Linux
- Agile Methods: Scrum
- Other tools: VScode, Jira, Confluence, Enterprise, VTOM

Jan 2017 - Feb 2020, Lead developer at Davidson Midi-Pyrénées

Installation CI/CD
Continuous Integration
Application Development and Api
- Language: Python
- Cloud: AWS (EC2, ECS, ECR, SQS, ElastiCache, Lambda, S3), OVH
- Database: Mongodb, Redis, Postgresql, RabbitMQ
- API: Rest, Flask
- Asynchronous: Celery
- Virtualization: Docker
- Script : Shell, Bash
- Version manager: Bitbucket, Gitlab
- Continuous Integration: Jenkins, Sonarqube, CDK
- Environment : Linux
- Agile Methods: Scrum
- Other tools: Pycharm, VScode, Jira, Confluence

Oct 2014 - Dec 2018, Design and development engineer at Alsatis

User-oriented software development
Analysis of needs and solutions
Follow-up of specifications
Drafting of documents for internal and external use
Respect for business data integrity
Development
Technical stack: Python/Django, Géoserver, Postgresql, Ajax, Json, HTML, Css, Javascript, PHP, Drupal

Apr 2014 - Oct 2014, Web development internship at Alsatis

Studies and Needs Analysis
General and detailed design (UML/PlantUml)
Development
Integration
Qualification
Presentation to users
Technical stack: Python/Django, Geoserver, Postgresql, Ajax, Json, HTML, Css, Javascript

Apr 2013 - Aug 2013, Web development internship at Alsatis

Studies and Needs Analysis
General and detailed design (UML/PlantUml)
Development
Integration and production start-up
Technical stack: Python/Django, Postgresql, LPOD, Script SSH, Unoconv

Jun 2011 - Sep 2011, Web development internship at Iserv

Participation in the development of a photographic archive management platform
Technical stack: Linux, Python/Django

Jul 2010 - Aug 2010, Computer maintenance technician internship at Technique Info-Com

Hardware and software maintenance

Education

2012 - 2014, Paul Sabatier University Toulouse III
Master Architecture of Information and Communication Systems
Knowledge of the company
Project management methodologies
Strategic alignment of information technology with business needs
Audit techniques
Outsourcing management

2009 - 2012, Oran University of Science and Technology - Mohamed Boudiaf (Algeria-Oran)
License Mathematics and computer science applied to science
Algorithmic
Logical programming
Networks (TCP/IP, OSI)
Database (Oracle)
Development: C/C++/ Java/ Caml

2011 - 2011, Winner Software (Algeria-Oran)
Senior Network Technician: Windows Server 2003

Volunteer experiences

2009, Red Cross First Aid (Mali-Bamako)
First aid techniques
Cardiac arrest
Unconsciousness
The bleeding
The suffocation

Language

English (Limited Working) TOEIC : B1
French: Bilingual
Bambara: Native

Hobbies

○ karate ○ jogging ○ BasketBall
